

Archival and Manuscript Collections Finding Aid

ACCESSION No.: HRHS-65

COLLECTION TITLE: William G. Myers Collection

DATES: 1916

SIZE: 1 (one) folder

DONOR: Unknown

PROCESSED: Processed October 26, 2015 by K. Craun

BIOGRAPHICAL NOTE:

William G. Myers was the Harrisonburg City Engineer in the early 20th century and was responsible for drafting the city road maps of that time. This collection is a handwritten work book used by Mr. Myers and appears to reflect a daily account of road maintenance work completed in Harrisonburg in 1916.

SCOPE AND CONTENT:

Work book used by William G. Myers, Harrisonburg City Engineer
